About Acacia Mining plc

Acacia Mining plc (LSE:ACA) is Tanzania's largest gold miner and one of the largest producers of gold in Africa. We have three producing mines, all located in north-west Tanzania: Bulyanhulu, Buzwagi, and North Mara and a portfolio of exploration projects in Tanzania, Kenya, Burkina Faso and Mali.

Our approach is focused on strengthening our three core pillars; our business, our people and our relationships, whilst continuing to invest in our future. Our name change from African Barrick Gold to Acacia in November 2014 reflected a new approach to mining, and an ambition to create a leading African Company.

Acacia is a UK public company headquartered in London. We are listed on the Main Market of the London Stock Exchange with a secondary listing on the Dar es Salaam Stock Exchange. Barrick Gold Corporation is our majority shareholder. Acacia reports in US dollars and in accordance with IFRS as adopted by the European Union, unless otherwise stated in this announcement.
