

2023 DSE SCHOLAR INVESTMENT CHALLENGE OFFICIAL LAUNCH

DSE Ag. CEO, Madam Mary S. Mniwasa officially inaugurated the 9th Dar es Salaam Stock Exchange Scholar Investment Challenge at a launch event that took place at the College of Business Education (CBE) on the 14th November 2023 alongside her counter party the **CBE Ag. Rector Professor Edda Tandi Lwoga**. Since its **inception in 2014**, this challenge has evolved into a platform that not only sharpens the financial acumen of our youth but also empowers them to become future leaders in the world of investment.

This year marks a significant milestone as we introduce a new modality to the challenge, one that will foster collaboration, learning, and mentorship. We are thrilled to engage with clubs from higher learning institutions, bringing together bright minds and innovative ideas under the umbrella of financial literacy.
