PROFIT WARNING ANNOUNCEMENT

THIS ANNOUNCEMENT IS MADE PURSUANT TO RULES 2, 53, 78 AND THE THIRD SCHEDULE TO THE DAR ES SALAAM STOCK EXCHANGE PUBLIC LIMITED COMPANY RULES OF 2016

The Chairman of the Board of Directors of Swissport Tanzania Plc. (the "Company") wishes to inform shareholders of the Company, potential investors and the general public that the Company's net profit for the financial year ended 31st December 2018 is expected to be at least 25% lower than the net profit reported in the financial year ended 31st December 2017. This was mainly attributable to the decrease in the number of aircraft and volume of cargo handled, a significant drop of yield per aircraft handled due to the ongoing price pressure and increase in the operating costs.

Operating costs increased by 8% when compared to year 2017. This was attributed by the increase in bad debt provision, staff cost and increase in depreciation charges as a result of significant investments made in the years 2017 and 2018.
